

Fashion Show Raffles

Due March 1, 2024

***All participants are responsible for donating a basket worth \$50 or more. ***

Each model has the option to put together their own basket worth \$50 or pair up with their partner and create a basket worth \$100 (or more.)

Please wrap your basket in clear cellophane. They will all be on display the night of the Fashion Show. When creating your basket, please remember that you are not required to buy all the items, you can solicit local businesses and/or your employer for donations worth \$50 or more. We just ask that if a business donates something to you, please let us know so that we can acknowledge them. We will be providing you a document containing a Donation Letter that you can show to businesses that are willing to donate to our event. Please print the letter and take it with you when asking for donations. (This will be emailed once all students have signed up to be a model.)

Be Creative when making your baskets!

You can choose the theme! It can be geared toward Teens or Adults.
